The advertisement is a rectangular sign with a collage of images. On the left, there's a window with a view of a city street, and the interior of the window is covered in a dense, yellow, sticky-looking material. On the right, there's a black and white portrait of a man with glasses and a mustache, smiling. The background of the sign is a mix of colors and patterns, including a green and black striped area at the bottom. The text is in a sans-serif font, and the website address is at the bottom right.

A high-contrast, black and white photograph of two bottles of Liquid Bitumen. The bottle in the foreground is in sharp focus, showing a dark, rectangular label with the words 'LIQUID' and 'BITUMEN' in a bold, sans-serif font. Below the main text, '99%' is printed. The bottle has a dark, reflective surface. The second bottle is partially visible in the background, also with a similar label. The scene is lit from the side, creating strong highlights and shadows on the bottles and the surface they are resting on.
